LAKE WASHINGTON HIGH SCHOOL, located in Kirkland, Washington, provides secondary education for students in 9 - 12 grades. LWHS competes in the King County Athletic 3A conference.

WELCOME!

Lake Washington High School Students and Families,

Welcome to the 2021-22 Lady Kangaroos' Basketball Season! We're so excited for the girls after the shortened pandemic "Pod" season last year, which only included three other teams from within the Lake Washington School District.

The success of the LW basketball program continues to bring new families and players together. This year 44 girls tried out enabling us to create our first ever C-team! Not only have the past three years been extremely successful, but Coach Jeff Wilson and his staff have built a team that represents the highest ideals of Lake Washington High School. As parents of the student athletes, we enthusiastically support Coach Wilson and his Staff and the coaching philosophies they bring to the program. They truly have changed the culture (#CTC)!

A special recognition and thanks to all the advertisers in this program and to Joann Smith, Kelly Hani, Katie Citron, Kelly Butler, Kent Compton and the rest of the parents for their hard work selling ads and coordinating program logistics.

We invite you to join us in our efforts to continually improve and support Lake Washington and the basketball program. If you have a skill you'd like to contribute to the program, please let us know. Lake Washington is a great school with strong student athletes and families, we look forward to a terrific season!

- Lake Washington Girls' Basketball Booster Club

Greetings Kang Parents, Athletes, Alumni and Community Members!

It is my distinct honor to be included in this program. As a former coach and lifelong fan, my love of basketball is no secret, and I am excited to see our Girls Basketball teams on the court.

At LW our students are involved, engaged, and eager to represent our school in all sorts of extracurricular events. This year we are more aware than ever of the importance of coming together to support and encourage this engagement. We anticipate a lot of hype and big crowds for our home events. Thank you for attending our events, and for your support of our student athletes.

You will see me around at many of our home and away events. Please stop by and introduce yourself. As a new member of our community, it is important for me to get to know our families and alumni. I am eager to meet you and always welcome company while taking in the game.

Go Kangs!

Christine Bell, Principal

LW Basketball fans,

As our community works to regain some normalcy amidst the pandemic, this basketball season is a big step forward. We have a full schedule with many exciting competitions ahead this season. Thank you in advance for helping make the season a success, by modelling excellent sportsmanship and by actively supporting the mask mandates in place this season. Together, we can make this season memorable for our girls.

Thank you for your support of our players, our coaches, and our community. Thank you for being loud, being proud, and being positive. GO KANGS!

Rick O'Leary, Athletic Director

Welcome to a new season for the Lake Washington Kangaroos! We come off back to back KingCo 3A Regular Season Champs & District Champs. Plus coming off a State Championship appearance and the LWSD Pod Champs during the Covid Season. We are so excited to be back to a normal season!

We will continue to grow off our **3 core principles**:

1. Energy/effort outweigh everything else
2. Our defense is our identify
3. We make the extra pass

Last year the support for the program was unbelievable, it pushed us to wins and brought us great energy. We can't wait for you to see this year's team, they are FAST and they COMPETE.

#oWoC → our Way, our Culture

Jeff Wilson, Varsity Head Coach

Jeff WILSON
Head Coach

HEAD COACH JEFF WILSON

In his fifth year as Head Coach of the Lady Kangs, Jeff Wilson has brought the program 2 KingCo Championships, 2 KingCo Regular Championships, a state tournament appearance and a state championship appearance. He was awarded KingCo 3A Coach of the year in his 2nd season, and Washington state 3A Coach of the year in his 3rd season. After 2 wins his first season, the team has won 44 games over the next 3 seasons. His energy, passion and positive attitude have established a culture for the program that make the game FUN for the players while yielding tremendous success. When he started, he promised to change the culture (#CTC), which is **exactly** what he's done!

Jeff graduated from Edmonds Woodway in 2009 and had earned a NCAA Division 1 men's basketball scholarship when he was involved in an automobile crash which unfortunately ended his college career before it ever had a chance to begin. Being forced to rethink what his contribution to basketball would be, that fall he started coaching the 5th grade boy's feeder for Edmonds Woodway High School. He coached those boys every year in both feeder and AAU programs before those players graduated high school last year.

In spring 2010, Coach Wilson began coaching boy's AAU basketball year-round and later assisted with the girls' teams. His job responsibilities included planning and running camps, and training individuals and groups. In the spring of 2013, he became the Varsity coach for the girls AAU team. Over the next 3 years, the girls in that program finished in the top 3 in 15 straight nationally ranked college viewing tournaments. Eight of the 10 girls on one team received full-ride college basketball scholarships. He has also coached and trained 10 other girls that are currently playing college basketball.

Prior to coaching the Lady Kangs, Coach Wilson was the EWHS' girls Junior Varsity coach for two years.

ASSISTANT COACH LIZZIE GIOVACCHINI

This is Coach Lizzie's fourth year as an assistant coach. She is a 2014 Lake Washington High School graduate and was a 3-year varsity basketball player helping lead her team to state as a senior captain.

During her time at LW, Lizzie was also a 2-year varsity volleyball player. She went on to continue her education at the University of Portland pursuing a degree in healthcare and is now in the Diagnostic Sonography program at Bellevue College.

JV HEAD COACH/VARSITY ASSISTANT COACH MADELINE KERR

Coach Kerr is originally from the suburbs of Chicago, Illinois and moved to the Pacific Northwest in the summer of 2019.

Along with teaching, she's coached 2 years of freshman girls basketball and 1 year of JV girls basketball. She's in her second year of teaching a 4th/5th multi-age class at the Community School in Kirkland. She's been teaching for 5 years.

In high school, she made Varsity all 4 years playing both basketball and softball. She continued her love for basketball at Augustana College in Rock Island, Illinois.

JV ASSISTANT COACH HALEY SCHULER

This is Haley's first season on the LW coaching staff.

Haley is a Pacific Northwest native, having grown up in Stanwood, WA where she was an All-State basketball, volleyball and track athlete for the Spartans. She went on to play basketball and track for George Fox University, where the Bruins made the National Tournament all four years, and ended her basketball career in the Sweet 16.

C TEAM COACH KELLY CONROY

Coach Kelly teaches 11th grade U.S. History and AVID here at LW! Kelly played competitive basketball since she was in 5th grade, but ultimately hung up her basketball shoes to attend Washington State University. She is looking forward to getting back on the basketball court!

LAKE WASHINGTON HIGH SCHOOL 2021-2022 GIRLS' BASKETBALL TEAM

The team salutes our families, friends, classmates and supporters who help motivate and make us more successful. - **THANK YOU!!**

ATHLETIC TRAINER DELANEY FARMER

Delaney Farmer, Licensed Athletic Trainer, received his degree from Washington State University in 2007. Since then Delaney has been the Athletic Trainer for Sammamish high school for 2 years and with LWHS since December 2010.

Outside of LWHS, Delaney is also a Licensed Massage Therapist (since 2007) and runs his own practice in Bellevue. For 7 years he worked with the Seattle Sounders and 10 years with the Seattle Storm as the team massage therapist.

During the summer months, Delaney travels the world with USA Track & Field, USA Diving and USA Ultimate Frisbee working with our junior and Olympic athletes. His professional and personal goal is to one day work at the Olympics.

QUICK FACTS

LAKE WASHINGTON HIGH SCHOOL History

Lake Washington High School began as Kirkland High School (also called Union "A" High School) in 1922—a gathering of students from as far away as Monroe and Duval.

Twenty seven years later, the school moved up the hill from Market Street to its present address. After two major remodels on that building, a brand new home for the Kangs opened September 2011—same school, different building.

But school pride is not bound by the structure that houses us; our

Kang spirit is as steadfast and vibrant today as it has ever been.

In 1930, the student body selected purple and white—symbolizing wisdom and purity—as their school colors. Today, our colors shine just as brightly, and our school motto—Strong, we will never fall— reflects the same optimism and dreams that the Kangs of 1923 hoped for. The rare character born at LWSH in 1930—a clever kangaroo called Lizzie—still delights us as our school mascot.

EMERGENCIES

Lake Washington High School is committed to creating a safe, comfortable and enjoyable game day experience for all fans. To request guest assistance, report a concern, or if you feel threatened in any way, please notify the nearest member of the LWSH Event Services staff, or a uniformed police officer.
